Attachment Number 24

Inspector General's Recommendation Number 24, Page 108

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

25X1A2g  
Project [REDACTED] be objectively evaluated before the rotation of the staff agent, and that the long-range aspects be resolved before the assignment of a successor.

DD/P Comment

Concur.

25X1A2g  
Project [REDACTED] was carefully reviewed with the staff agent and the progress toward its long-range objectives was determined to be satisfactory. The agent is returning for a second tour of duty and [REDACTED] possibilities after expiration of [REDACTED]
